Sir,

Appropriation of grants for Drainage and sinking wells sanctioned for Yelandur Minor Municipality for the year 1945-1946

I have the honour to state that Government in their Orders No R.10120-34/ML 69-45-5 dated the 30th March 1946 and L.9769-80/ML 68-45-1 dated the 22nd March 1946 sanctioned sums of Rs 1,000/- and Rs 2,000/- for construction of drains and for sinking drinking water wells respectively for the Minor Municipality at Yelandur out of their L A Grants for 1945-46

The bill received for Rs 1,000/- on accounts of drains was returned countersigned As regards the other grant for wells it was suggested that as there was no scarcity for the same in the town and there was also a river flowing in the midst of the town, the allotment sanctioned might be permitted to be utilised for construction of drains for which there was an estimate already got prepared for Rs 4,018/- The bill was therefore returned countersigned subject to sanction of re-appropriation of the grant later for the purpose suggested The President having considered the Requests ~~reports~~ grant sanction for the re-appropriation with a resolution of the Council that the amount may be reappropriated The Copy of the resolution is enclosed along with the report of the President No C 151 dated 26-6-1946 I request that the resolution of the Council, might be sanctioned early

Re-appropriation of Government grant of Rs 2000/- for sinking wells for purpose of Drainage in the Yelandur Municipality

---

Referring to your letter No L 5492 dated the 5th November 1946 enquiring why a recommendation was made for a grant of Rs 2000/-, for sinking wells when there was sufficient water supply at the place etc , I have the honour to state that it was the previous Deputy Amildar, Mr C P Narayanaswami, who had recommended reappropriation of the grant His report No C 151 dated 26-6-1946, and the resolution of the council on the subject were forwarded to you with this office letter No D3 C 1512 of 46-47, dated 12--1946 (para 2 thereof) recommending sanction to the reappropriation The said report of the Deputy Amildar-President may kindly be perused

Hag G

The grant can be reappropriated to any other equally important work I have asked the President to get the estimate for drains scrutinized by the Public Works Department and take necessary further action as per rules The proposal may therefore be sanctioned

This is solicited, because a reference has already been made to Government seeking sanction for the reason that it was a grant made by them out of T I G , for a specific purpose and they alone have the power to alter it for a different purpo
